NOTE FOR: Mary Lawton  
Counsel for Intelligence Policy  
Office of Intelligence Policy and Review  
Department of Justice

SUBJECT: Minutes of Narcotics Working Group

25X1

1. I have been attempting to prepare the minutes of the meeting of the Critical Intelligence Problems Committee's Narcotics Working Group which you addressed several weeks ago. 

25X1

2. Despite the presence of a stenographer throughout the meeting, I have found it difficult to reconstruct the focus of your comments, much less the exact thoughts you were expressing. 

25X1

3. I have discussed this with  CIA/OGC, and he suggested you might wish to review my draft (attached). I'd welcome any additions, deletions, revisions, etc.--much of the report does not track well, but I hesitate to change too much for literary purposes when it's a subject with which I am not familiar.

4. I appreciate your help; if you would like to discuss this in person, please give me a call
